Dear Sir:-

I have been informed that you have been instrumental in the establishment of the Gedney Bunce medal, and I am writing to ask whether it would be possible for you to present a copy of this medal to The American Numismatic Society. We have a very good collection of artistic medals, and we are endeavoring to make it up-to-date and as complete as possible. We should be very glad to add a copy of this medal to those on exhibition.

Yours very truly,

Secretary.
